## Acknowledgments

---

### By using Loyae's products you consent to the following:

- Tracking your usage of Loyae through software such as Google Analytics and/or Hotjar.
- Data collection and storage, including all information that you explicitly provide to Loyae as well as your IP address and other pieces of metadata stored in your browser.

### We honor your privacy:

- The data we collected will *not* be sold to 3rd parties. Much of the data we collect is for analytical purposes.

## Terms

---

### Other terms regarding security:

- Loyae, nor Loyae's owner is legally responsible for destructive technical outcomes as a result of using the product.
- Loyae is not responsible for data breaches of our servers nor databases if they contain your personal information.
- By using Loyae, you agree to not abuse API endpoints; this includes using endpoints for malicious purposes such as 'tricking' our servers into crediting your account or any other forms of cyber attacks.
- You agree not to commit refund fraud, click fraud, or any other malicious forms of fraud.
